Hi Lindsay,

I have attached the two items you mentioned below. They were submitted with our Section 3 registration in December. Please let me know if you need anything else from me.

Thanks,
Jessica

Hi, Jessica.

A few items that I have not been able to find for the chlormequat chloride action:

- Application form submitted for the end-use product
- End-use product CSF

Could you look in your records and see if those documents were submitted? Let me know either way and we can look into how best to resolve that issue.

Thanks,
Lindsay

Hello Lindsay,

I apologize for missing your calls today. I was away from my desk this afternoon and had my calls transferred to my business cell phone. I also have a 9-10 am meeting tomorrow. I will give you a call afterward, around 10:15. I look forward to speaking with you.

Thanks,
Jessica

Hi, Jessica.

I had some trouble getting through to you on the phone today. Not sure what the issue was...the first call my phone acted like it was an EPA in-house number and the next time I called it sent me to a voicemail not related to the phone number I was using. Could you give me a call tomorrow? I'm in the office from 7am-5:30pm EST. I have meetings from 9-10 and 11-noon. Other than that, I should be available.

Thanks,
Lindsay
